Williams Partners Announces Recipients of Rockaway Community Grants

Williams today announced the recipients of the Rockaway Community Grant Program, awarding more than \$120,000 to 23 organizations that reside in, and/or provide services to the Rockaway, New York area.

The company awarded more than \$115,000 last fall, bringing the total announced awards to \$343,000 since 2014.

The Rockaway Community Grant program is designed to benefit the environment and local communities within the NYC areas affected by Williams' Rockaway Lateral project. The mission of the Williams Rockaway Community Grant Program is to assist in the development of projects that directly benefit the surrounding communities in which the proposed Rockaway Lateral would be constructed and operated.

Grants up to \$15,000 per funding cycle will be awarded based on community need and can be used to provide environmental benefit or economic development, or to support emergency services, youth and senior programs, or education programs.

Community organizations can complete and submit the electronic application found online at www.williams.com/rockawaygrant.
