Williams Partners Announces Recipients of Rockaway Community Grants

Williams today announced the recipients of the Rockaway Community Grant Program, awarding more than \$114,000 to 18 organizations that reside in, and/or provide services to the Rockaway, New York area.

The company awarded more than \$120,000 last fall, bringing the total announced awards to \$460,000 since 2014.

The mission of the Williams Rockaway Community Grant Program is to assist in the development of projects that directly benefit communities surrounding Williams' Rockaway Delivery Lateral pipeline, which was placed into service earlier this year.

Grants up to \$15,000 per funding cycle are awarded based on community need and can be used to provide environmental benefit or economic development, or to support emergency services, youth and senior programs, or education programs.

Community organizations can complete and submit the electronic application found online at www.williams.com/rockawaygrant.

Williams provides natural gas to the New York City area through its Transco pipeline, a 10,200-mile pipeline system which transports natural gas to markets throughout the northeastern and southeastern United States.

About Williams Partners L.P. (NYSE: WPZ)

Williams Partners L.P. is a leading diversified master limited partnership focused on natural gas transportation; gathering, treating, and processing; storage; natural gas liquid (NGL) fractionation; and oil transportation. The partnership owns interests in three major interstate natural gas pipelines that, combined, deliver 14 percent of the natural gas consumed in the United States. The partnership's gathering and processing assets include large-scale operations in the U.S. Rocky Mountains and both onshore and offshore along the Gulf of Mexico. Williams (NYSE: WMB) owns approximately 66 percent of Williams Partners, including the general-partner interest. More information is available at www.williamslp.com.
